Hi ,

This is our final notice that we still have not received a response to our recent request for more information about your business,

It's important that we know what your business is selling, in order to make sure that it's supportable under our **Services Agreement**

We have paused **payouts** to your bank account until your required action is completed.

Action Required

To avoid having your payouts paused, please complete the form below to provide some additional details. You can also access this form directly from your Stripe Dashboard.

Complete the form

Once we hear back from you, we will review your information and get in touch again within 48 hours.

Please let us know if you have any questions—we're here to help.
